CORAM : [DR.D.Y.CHANDRACHUD](#), J.

April 26, 2005.

P.C.:

No interference is warranted with the interim orders passed by the Courts below in these proceedings under Article 227 of the Constitution. The Petitioner seeks to challenge in a suit instituted in the year 2003, an alienation which has taken place in 1985. That apart, prima facie both the Courts have found that the Petitioner has failed to establish his right, title or interest. This is a prima facie finding at the stage of the disposal of the application for interim relief. At this stage, no interference on the finding on the application for interlocutory relief is warranted. The Petition is rejected.
